

Tires & Rims - Tires/Short Course

Short Course Tires "Suburbs SC M3"

2 pieces tires for Short Course "Suburbs SC M3" with preassembled foam inserts. M3 compound (soft).

Manufacturer: Proline (116102), width: 43 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 108 mm, [item number: 13107](#)

Short Course Tires "Suburbs SC M4"

2 pieces tires for Short Course "Suburbs SC M4" with preassembled foam inserts. M4 compound (extra soft).

Manufacturer: Proline (116103), width: 43 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 108 mm, [item number: 13108](#)

Short Course Tires "Sniper SC M2"

2 pieces tires for Short Course "Sniper SC M2" with preassembled foam inserts. M2 compound (medium).

Manufacturer: Proline (116501), width: 43 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 107 mm, [item number: 13119](#)

Short Course Tires "Street Fighter SC M2"

2 pieces tires for Short Course "Street Fighter SC M2" with preassembled foam inserts. M2 compound (medium).

Manufacturer: Proline (116701), width: 46 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 109 mm, [item number: 13123](#)

Short Course Tires "Suburbs 2.0 SC M3"

2 pieces tires for Short Course "Suburbs 2.0 SC M3" with preassembled foam inserts. M3 compound (soft).

Manufacturer: Proline (117102), width: 46 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 108 mm, [item number: 13136](#)

Short Course Tires "Suburbs 2.0 SC M4"

2 pieces tires for Short Course "Suburbs 2.0 SC M4" with preassembled foam inserts. M4 compound (extra soft).

Manufacturer: Proline (117103), width: 46 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 108 mm, [item number: 13137](#)

Short Course Tires "Caliber 2.0 SC M2"

2 pieces tires for Short Course "Caliber 2.0 SC M2" with preassembled foam inserts. M2 compound (medium).

Manufacturer: Proline (117601), width: 46 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 109 mm, [item number: 13139](#)

Short Course Tires "Hole Shot 2.0 SC M3"

2 pieces tires for Short Course "Hole Shot 2.0 SC M3" with preassembled foam inserts. M3 compound (soft).

Manufacturer: Proline (118002), width: 46 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 107 mm, [item number: 13144](#)

Short Course Tires "Badlands SC M2"

2 pieces tires for Short Course "Badlands SC M2" with preassembled foam inserts. M2 compound (medium).

Manufacturer: Proline (118201), width: 50 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 112 mm, [item number: 13147](#)

Short Course Tires "Sling Shot SC"

2 pieces tires for Short Course "Sling Shot SC" with preassembled foam inserts.

Manufacturer: Proline (115800), width: 43 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 115 mm, [item number: 13160](#)

Short Course Tires "Striker SC"

2 pieces tires for Short Course "Striker SC" with preassembled foam inserts.

Manufacturer: Proline (1010400), width: 46 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 102 mm, [item number: 13164](#)

Short Course Tires "ATTK", Belted, S-Compound

2 pieces belted tires for Short Course "ATTK" with preassembled inserts. S-Compound: Good grip, average life span.

These tires feature a high strength belt that is molded into the carcass.

Manufacturer: HPI (103347), width: 47 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 101 mm, [item number: 13205](#)

Short Course Tires "ATTK", S-Compound

2 pieces tires for Short Course "ATTK" with preassembled inserts. S Compound: Good grip, average life span.

Manufacturer: HPI (103806), width: 47 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 101 mm, [item number: 13210](#)

Short Course Tires "Jump SC"

2 pieces tires for Short Course "Jump SC" with inserts.

Manufacturer: HPI (116522), width: 43 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 104 mm, [item number: 13212](#)

Short Course Tires "Rodeo", Pink Compound

2 pieces tires for Short Course "Rodeo". Pink compound (extra-soft).

Manufacturer: Hot Bodies (61748), width: 43 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 109 mm, [item number: 13301](#)

Short Course Tires "Beams", Pink Compound

2 pieces tires for Short Course "Beams". Pink compound (extra-soft).

Manufacturer: Hot Bodies (61757), width: 44 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 107 mm, [item number: 13305](#)

Short Course Tires "Pressure Points", Blue Compound

2 pieces tires for Short Course "Pressure Points" with preassembled molded inserts. Blue compound (soft).

Manufacturer: JConcepts (304901), width: 45 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 104 mm, [item number: 13411](#)

Short Course Tires "Pressure Points", Green Compound

2 pieces tires for Short Course "Pressure Points" with preassembled molded inserts. Green compound (extra soft).

Manufacturer: JConcepts (304902), width: 45 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 104 mm, [item number: 13412](#)

Short Course Tires "Pressure Points", Orange Compound

2 pieces tires for Short Course "Pressure Points" with preassembled molded inserts. Orange compound (soft).

Manufacturer: JConcepts (304904), width: 45 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 104 mm, [item number: 13414](#)

Short Course Tires "Pressure Points", Gold Compound

2 pieces tires for Short Course "Pressure Points" with preassembled molded inserts. Gold compound (indoor soft).

Manufacturer: JConcepts (304905), width: 45 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 104 mm, [item number: 13415](#)

Short Course Tires "Bar Codes", Blue Compound

2 pieces tires for Short Course "Bar Codes" with preassembled molded inserts. Blue compound (soft).

Bar Codes in new condition excel on hard surfaces that have taken rubber with either dry or wet grooved conditions. Worn Bar Codes excel on indoor or outdoor clay tracks where a minimal dust groove has formed.

Manufacturer: JConcepts (304401), width: 44 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 104 mm, [item number: 13421](#)

Short Course Tires "Bar Codes", Green Compound

2 pieces tires for Short Course "Bar Codes" with preassembled molded inserts. Green compound (extra soft).

Bar Codes in new condition excel on hard surfaces that have taken rubber with either dry or wet grooved conditions. Worn Bar Codes excel on indoor or outdoor clay tracks where a minimal dust groove has formed.

Manufacturer: JConcepts (304402), width: 44 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 104 mm, [item number: 13422](#)

Short Course Tires "Bar Codes", Orange Compound

2 pieces tires for Short Course "Bar Codes" with preassembled molded inserts. Orange compound (soft).

Bar Codes in new condition excel on hard surfaces that have taken rubber with either dry or wet grooved conditions. Worn Bar Codes excel on indoor or outdoor clay tracks where a minimal dust groove has formed.

Manufacturer: JConcepts (304404), width: 44 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 104 mm, [item number: 13424](#)

Short Course Tires "Bar Codes", Gold Compound

2 pieces tires for Short Course "Bar Codes" with preassembled molded inserts. Gold compound (indoor soft).

Bar Codes in new condition excel on hard surfaces that have taken rubber with either dry or wet grooved conditions. Worn Bar Codes excel on indoor or outdoor clay tracks where a minimal dust groove has formed.

Manufacturer: JConcepts (304405), width: 44 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 104 mm, [item number: 13425](#)

Short Course Tires "3Ds", Green Compound

2 pieces tires for Short Course "3Ds" with preassembled molded inserts. Green compound (extra soft).

3Ds excel on indoor and outdoor hard packed surfaces with either dry or wet conditions.

Manufacturer: JConcepts (306102), width: 43 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 102 mm, [item number: 13427](#)

Short Course Tires "Carvers", Gold Compound

2 pieces tires for Short Course "Carvers" with preassembled molded inserts. Gold compound (indoor soft).

The Carvers front tire is perfect for a variety of track surfaces. The sharp angular and directional ribs provide the ultimate in control and direction on the most common dry and wet condition surfaces.

Manufacturer: JConcepts (305005), width: 49 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 108 mm, [item number: 13434](#)

Short Course Tires "G-Locs", Yellow Compound

2 pieces tires for Short Course "G-Locs" with preassembled molded inserts. Yellow compound (medium).

The super low-profile, aggressively treaded tire is purpose built for those aggressive speed-runs.

Manufacturer: JConcepts (307400), width: 46 mm, inside diameter: 56/76 mm (2.2"/3"), outside diameter: 97 mm, [item number: 13442](#)
