

Light & Electrics - Light Lenses

3D Light Lens Decal, Red (Block Small)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-08), size: 130 x 70 mm, item [item number: 62102](#)

3D Light Lens Decal, Red (Line Middle)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-09), size: 130 x 70 mm, item [item number: 62103](#)

3D Light Lens Decal, Red (Line Small)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-10), size: 130 x 70 mm, item [item number: 62104](#)

3D Light Lens Decal, Red (Block Delta)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-11), size: 130 x 70 mm, item [item number: 62105](#)

3D Light Lens Decal, Orange (Block Middle)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-12), size: 130 x 70 mm, item [item number: 62125](#)

3D Light Lens Decal, Orange (Line Middle)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-14), size: 130 x 70 mm, item [item number: 62127](#)

3D Light Lens Decal, Orange (Line Small)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-15), size: 130 x 70 mm, item [item number: 62128](#)

3D Light Lens Decal, Orange (Block Delta)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-16), size: 130 x 70 mm, item [item number: 62129](#)

3D Light Lens Decal, Clear (Block Small)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-02), size: 130 x 70 mm, item [item number: 62152](#)

3D Light Lens Decal, Clear (Line Small)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-05), size: 130 x 70 mm, item [item number: 62154](#)

3D Light Lens Decal, Clear (Block Delta)

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0004-06), size: 130 x 70 mm, item [item number: 62155](#)

Light Color Film Set Transmissive Type, Red/Orange

Manufacturer: Wrap-Up Next (0003-01), size: 140 x 80 mm, item [item number: 62171](#)

Transparent Light Smoke Film (Dark Gray)

Manufacturer: Wrap-Up Next (0003-07), size: 140 x 80 mm, item [item number: 62173](#)

Only cover the tip of the bullet-shaped LED to change the direct light into a uniform diffused light.

Manufacturer: Wrap-Up Next (0008-02), contents: 8 pieces, item [item number: 62202](#)

3 mm LED Wide Range Cap, Yellow

Only cover the tip of the bullet-shaped LED to change the direct light into a uniform diffused light.

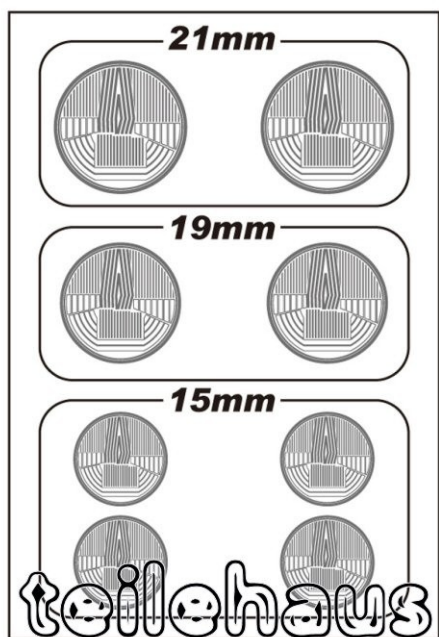

Manufacturer: Wrap-Up Next (0008-03), contents: 8 pieces, item [item number: 62203](#)

3 mm LED Wide Range Cap, Blue

Only cover the tip of the bullet-shaped LED to change the direct light into a uniform diffused light.

Manufacturer: Wrap-Up Next (0008-04), contents: 8 pieces, item [item number: 62204](#)

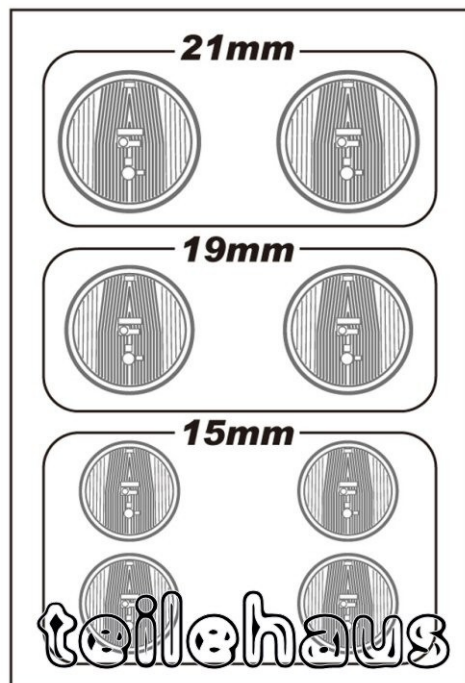

3D Headlight Lens Decal, Round TYPE-A (21/19/15 mm)

Put this decal from the inside. Comes with Masking sheet. This product is Pre-cutted.

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0010-01), [item number: 62251](#)

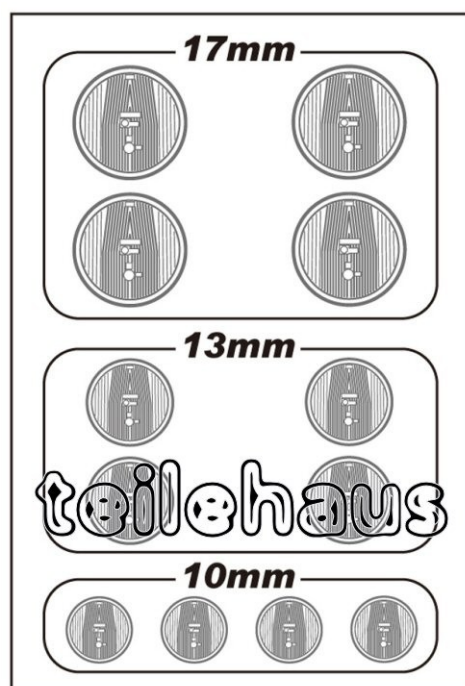

3D Headlight Lens Decal, Round TYPE-B (21/19/15 mm)

Put this decal from the inside. Comes with Masking sheet. This product is Pre-cutted.

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0010-03), [item number: 62253](#)

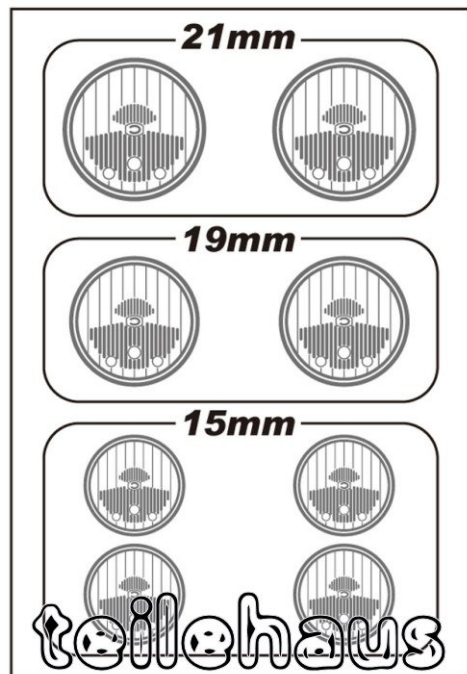

3D Headlight Lens Decal, Round TYPE-B (17/13/10 mm)

Put this decal from the inside. Comes with Masking sheet. This product is Pre-cutted.

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0010-04), [item number: 62254](#)

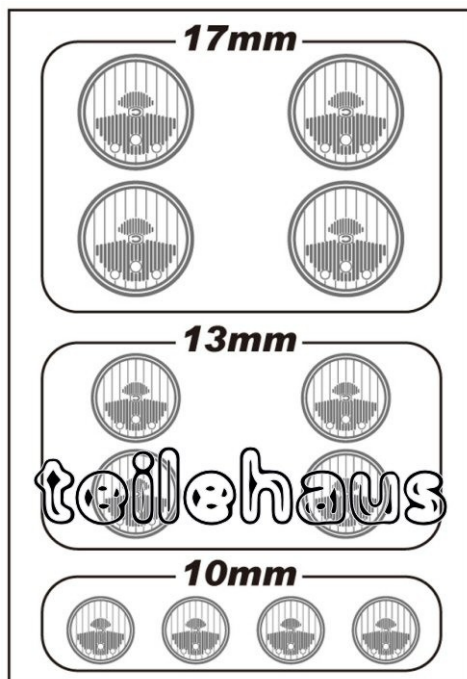

3D Headlight Lens Decal, Round TYPE-C (21/19/15 mm)

Put this decal from the inside. Comes with Masking sheet. This product is Pre-cutted.

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0010-05), [item number: 62255](#)

3D Headlight Lens Decal, Round TYPE-C (17/13/10 mm)

Put this decal from the inside. Comes with Masking sheet. This product is Pre-cutted.

These new 3D light lens decals will add greater scale detail to your RC drift body. The 3D Decals are made to replicate real 1:1 car lenses.

Manufacturer: Wrap-Up Next (0010-06), [item number: 62256](#)
